

e-awareness

Social Networking

Chatrooms Facebook Myspace
Keep my profile private
Only accept people I know as friends
Only arrange to meet people I know

Cyber Bullying

Never send anything to anybody
that I wouldn't like to
receive myself
Think Before I Do
Think Before I Write

Responsible Surfing and Internet Use

Not everything on the Internet is true
Once on the Internet it is there for ever!
I am not a bandwidth hog

Others' Property

I can see it, I can read it, I can listen to it
BUT
Can I use it? Can I share it?

Without permission am I breaking the law?
Could I be fined?

My Data

Keep my passwords secret
Do not use my real name on games or chat sites
Never give my home address, phone number,
information that can identify me eg pets,
hobbies, journey to school, photos

Our Network

I will not save more than I need
I will only share files that are legal
and for a valid purpose

Responsibility for Equipment

Everyone benefits from our good facilities -
I will keep it that way.
I will report others not doing so!

When things go wrong

I will tell an adult straight away if
I receive anything that makes me uneasy
or if I do anything that could put me in danger

I accept that my son/ daughter will be using
the Internet at school.
I accept and will reinforce these expectations.
I understand that the school will take all
reasonable precautions to ensure pupils cannot
access inappropriate materials.

E Mail

I will not reply to a
nasty message or
anything that makes
me uncomfortable

make sure all
messages I send
are friendly

I will ask an adult
if unsure

only e mail
people I know

Do not open
attachments
unless I am
expecting them

I have read this
I understand
I agree

I will use the computer, network, mobile
devices, Internet access and other
new technologies responsibly and
safely at all times.

I know that the network and my
Internet access may be
monitored.

I realise the privilege of using the facilities
will be withdrawn if misused.
