

Destination Data for the 2025 Leavers

(Data for the 2026 leavers will be available in November)

In 2025, 97% of Springfield's Leavers progressed to employment, education or training by November.

94.9% were enrolled in a "participating destination" (a college course or approved job with training, such as an apprenticeship or cadetship). The local authority average is 94.6%

94.5% of students classified as disadvantaged progressed to a participating destination.

95.4% of Springfield students with special educational needs progressed to a participating destination.

Our most popular destination was Havant and South Downs College (51% of students), followed by City of Portsmouth College (36% of students). Other students went on to colleges such as Peter Symonds, Barton Peveril, Chichester and Fareham, to Oaklands Sixth Form, or to apprenticeships.

In 2024, 99% of students progressed to employment, education or training and the most popular destination was City of Portsmouth College.
