Dear Parent/Carer

Tutor Arrangements for 2026/2027

At Springfield, we provide a secure, nurturing environment where every child feels safe and supported, ensuring their wellbeing is the foundation for effective learning. Each child has a form tutor and pastoral year team that works together to ensure your child feels happy and safe in school. The tutor in particular is a daily, consistent adult who will monitor their attendance, support their well-being and identify any early concerns.

For parents/carers, the form tutor is your main point of contact with the school to raise any questions you may have.

I wanted to take this opportunity to provide you with a summary of your child's year team and highlight any changes in staff or rooming that may have taken place since the end of last term. Please see the grid below.
